Paid Leave in the Workplace

2017 Survey Results

[IFEBP](#) > [Store](#) > [Paid Leave in the Workplace](#)

The International Foundation report *Paid Leave in the Workplace: 2017 Survey Results* addresses the current status and approach of organizational paid leave policies, including paid holidays, paid-time-off (PTO) plans, paid vacation, sick leave, bereavement leave, parental leave and sabbaticals. The report provides a deep-dive into the details of paid leave at corporate and public employers—offering data on the number of days offered, minimum service requirements needed, and the different policies for hourly and salaried workers.
